AGRICOLA ATTENDANCE CENTER

AGRICOLA, MISSISSIPPI

Dedication

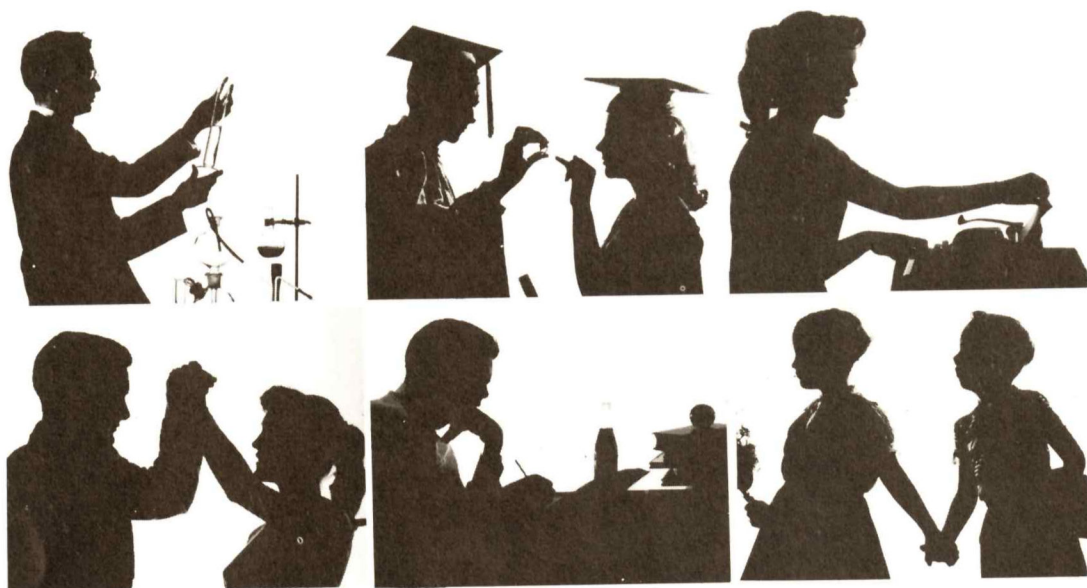

Mr. Dosier Rogers, our school custodian, retired this year after twenty-five years of service at Agricola--one reason why we've dedicated the 1963 WARRIOR to him. He was more than a capable janitor. He took a personal interest in the welfare of the school and was a friend to every student and faculty member. He had a happy smile for all of us and a personal concern for all our problems.

Because of the noble influence he has wielded upon our lives, we the Seniors of 1963, proudly dedicate our yearbook to "Mr. Dosier."

OUR PRINCIPAL

Well known around Agricola is our Principal, Mr. C. S. Wade. As a friend or as principal, he can't be beat in the opinion of most of the students. He holds meetings, interviews new teachers, makes announcements, "peps up" pep sessions, frowns upon "bad" boys and cries at graduation! Here too, his work is never done. There's always more to do and he doesn't mind helping people with individual problems. Seniors can tell you this when college time "rolls" around.

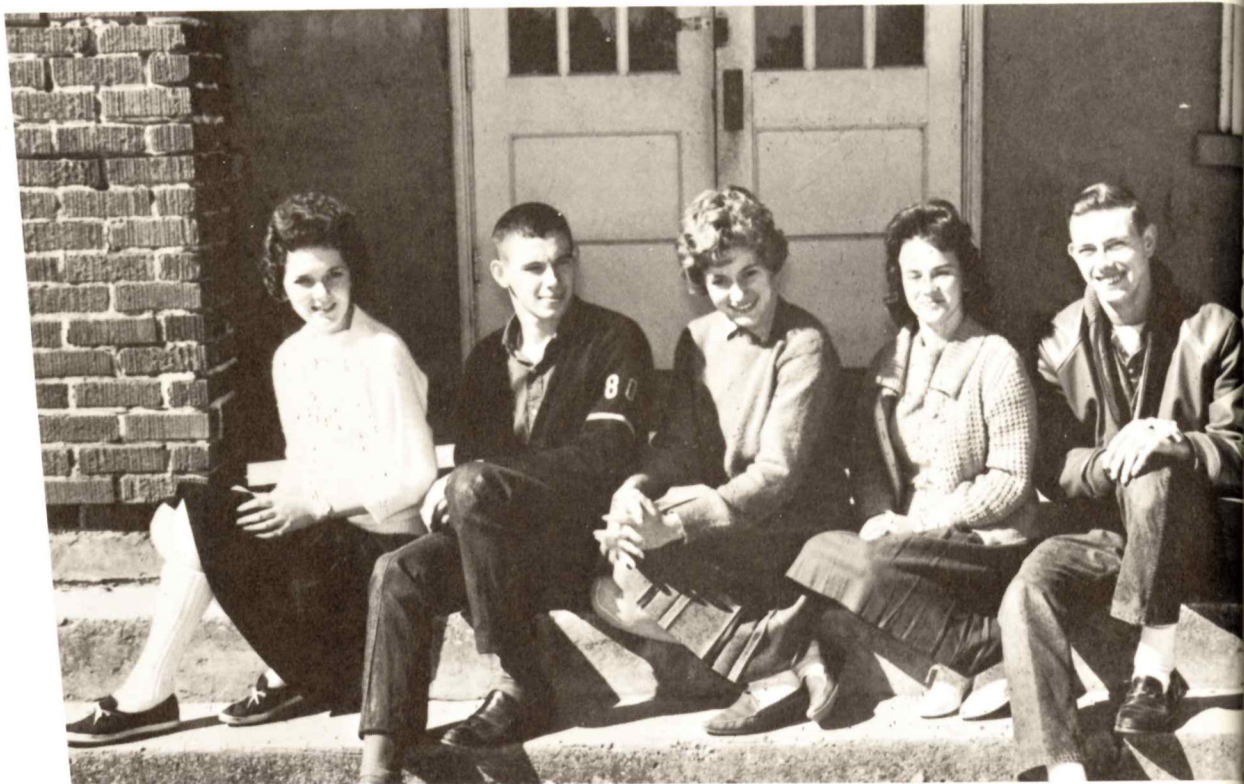

CAROLYN RUSH

Her laugh and smile are familiar... "Give her a typewriter, a telephone, and a problem; she's content!" Let the office become noisy and she's very "disturbed." Being the office secretary means real work, and there's plenty that Carolyn does in the Agricola office.
